

Friends Extra Membership Agreement

Yes, I would like to join TrustPower Friends Extra and get an extra discount off my unit charges.

I understand that TrustPower will give me an extra discount off my unit charges, and that I will pay the normal daily fixed charge that applies to my properties. I understand that I will continue to get any other discounts that I am entitled to, including Friends discounts and prompt payment discounts.

I understand that although electricity prices may increase, I will continue to get my Friends Extra discount during the term of my Friends Extra membership. I also understand that my Friends Extra benefits may be withdrawn without further notice if I receive more than two disconnection notices within a six month period or I am scheduled for disconnection for non payment of my account.

I understand that I can choose to buy my power from another power supplier or cancel my Friends Extra membership during the term chosen below, but I will need to pay an exit fee of \$95.

I understand that I can move properties and as long as I stay with TrustPower, my Friends Extra membership will move to my new property. If TrustPower is not able to supply electricity at my new property, I understand that I will pay no exit fee.

I agree to buy all of my electricity from TrustPower for my properties listed below for a term of :

Please **tick** your choice

- 4% Friends Extra discount off my unit charges for 36 months**
- 5% Friends Extra discount off my unit charges for 5 years**
